In Southern California, where the fine folks at Harvey Comics toil, it doesn't get very cold. We know winter has arrived when we turn the air conditioner to "low cool". Maybe these California beach bums like it that way, but me, I'm an Eastern boy. I like to feel that first chill of winter, bury myself in ten layers of sweaters, and most of all, curl up with a steaming cup of hot chocolate and my favorite comic books.

And speaking of comic books, have we got some great ones for you!

Next month we have a very special premiere coming your way: the first issue of the Stone Protectors, those new TV and toy favorites, who are the strangest interplanetary warriors in creation! If you haven't heard about them yet, don't worry - you will. They're just your average rock-and-roll band turned interstellar heroes. Cornelius is the leader of the group, (don't hate him because he's beautiful); Angus likes to solve every conflict with his fists; Chester is the voice of reason, except when it comes to a gourmet meal; Maxx is the street smart city kid, and Cliff is the dreamer. Until a cosmic clash turned them into the Stone Protectors, they were lousy musicians. Now they're not half bad.

Also next month, look for Beethoven to begin its regular run. We'll have all-new stories starring the world's favorite St. Bernard. It'll be like having a brand new Beethoven movie every two months! In this new issue, America's most famous canine loses his memory, disappears and turns up as a Hollywood stunt-dog! It's a howler!

Remember those Hanna-Barbera comic books I told you about? We now have a release date on them: April 1994, (don't worry, that's not as far away as it sounds.) And in case you for some reason doubt they are the most AWESOME addition

to the comics market since...since...well since Casper the Friendly Ghost... in case you doubt that indisputable fact- try on this recommendation for size: the top comic book cover artists are so in love with Fred Flintstone, George Jetson, and all the Hanna-Barbera characters that they are practically breaking down our door to do covers for us. Fortunately for them we keep the door unlocked.

Don't get so excited about our upcoming titles that you forget to pick up your regular supply of Harvey Comics —coming out this month we have Baby Huey, Beetle Bailey, Richie Rich, and Pink Panther, just to name a few! Be good, keep reading, and I'll see you next month!

and we get letters...

Dear Baby Huey,
I enjoy reading your comics. They are funny. I hope you do more comics.
Your friend, Stephanie Wahl
Ruma, Illinois

Dear Stephanie,
You want me to do more comics? Can I, Mr. Editor? Can I? Can I please? Can I do more comics? Stephanie wants me to. Can I? Can I?
Baby Huey

Dear Richie,
I like your Vacation Digest a lot. I read it going to Florida.
Your friend, Daniel Lawson
Dayton, OH

Dear Daniel,
Hmm. You read my Vacation Digest and you went on vacation. I wonder what would happen if you read my Million Dollar Digest!
Your pal, Richie Rich

Dear Harvey Classics,
I want to sing when I grow up. But for now I guess I'm going to be a kid. It is fun to be a kid. You get to read cool things.
Your fan, Shannon Naish
Patterson, CA

Dear Shannon,
It sure is fun being a kid. But you don't have to wait to be a singer. You can sing right now! We'll help get you started: "Casper, the Friendly Ghost..."

Dear Mr. Editor,
Duh, can I do more comics? Can I? Can I please?
Baby Huey

Dear Baby Huey,
The letters page is for our readers, Baby Huey. We can talk later.

Dear Spooky,
I like to read your comics. I get as many of your comics as I can. You really are a tuff little ghost. How did you get so tuff?
Your friend, Kelsie Tompkins
Weatherford, OK

Dear Kelsie,
You bet I'm tuff, but who are you calling little?
Signed Spooky the Tuff BIG Ghost

Dear Richie Rich,
My name is Dan Byers and I'm almost 11. I am in fifth grade. I have a question: what job does your dad have to become so rich?
Sincerely, Dan Byers
Durango CO

Dear Dan,
My Dad runs Rich Industries.
But there are lots of ways you can get rich. The most important thing is to get a good education. Work hard at school, read a lot and study your math. Then, when you get out of school, you can be anything you want: a doctor, a scientist, a lawyer... or a comic book writer!
Your pal, Richie Rich

Dear Mr. Editor,
Can I—duh—Can Baby Huey do more comic books? Can he? Can he?
Signed, A reader who is not Baby Huey

Dear Reader
Yes, Baby Huey. You can do more comic books.

Dear Mr. Editor,
Yay! Yay! Yay!
Signed, The Same Reader who is not Baby Huey

Dear Casper,
I love your comics very much. They are so adventurous and full of fun that I keep reading them again and again. I like all your friends like the Ghostly Trio, Spooky, Wendy, Dot, Richie Rich, Gloria, etc. Sometimes I wonder why I can't join you all. Oh, what fun it would be!

Dear Srideep,
You do join us in our adventures, everytime you read one of my comic books. Until you read a story, it's just ink on a page. Together, we travel to faraway lands and meet wonderful and strange people. And now, Srideep, you are a part of this comic book for everyone to share!
Your friend, Casper

Dear Hot Stuff,
Do you like tricks? I do. Trick or treat.
Jason Clack
Mooreland, IN

Dear Jason,
Of course I like tricks — as long as I'm the one pulling them!
Trickily yours, Hot Stuff

Dear Casper,
My name is Jerika and I am 7 years old. I like your comics because they are fun. You are my favorite because you are good. I am not afraid of you, Casper. You are fun.
Love, Jerika Louise B. Burgos

Dear Jerika,
I'm glad you're not afraid of me! Sometimes people think I'm scary just because I'm a ghost! But all I want is to make friends with everyone. And now I have a friend in the Philippines!
Your pal, Casper

Dear Richie,
Did you know I love your stories? I think you're smart. And clever. So that's why I like you, and I think you're the cutest.
Becky Brunson
Somerset, New Jersey

Dear Becky,
Richie thanks you for your kind words. He would say so himself but he's too busy blushing.
